

Change in Catella AB's (publ) Group Management

Johan Nordenfalk, Chief Operating Officer (COO), will leave his employment and thereby Catella's Group management for engagement outside of the company.

"I would like to thank Johan for his long time and valuable efforts at Catella during the process of change that has been going on in recent years and I wish him all the best with new challenges," Catella's CEO Knut Pedersen comments.

Johan Nordenfalk remains in his position in order to ensure an orderly handover.
