The Board of directors of Catella AB (publ) has decided to appoint current CFO Christoffer Abramson to CEO and President as of 12 April 2021. Mattias Brodin will take up the position as acting CFO from March 29.

As earlier communicated, it was decided that Christoffer Abramson would take over as CEO in conjunction with Catella's Annual General Meeting May 25 and now the date is set to April 12.

Mattias Brodin, who is appointed acting CFO, most recently comes from the position as Interim Group CFO för Transcendent Group (publ.) and previously corresponding positions at Estate Group Sverige och Apoteksgruppen. Mattias Brodin has extensive knowledge of various industries such as Real Estate, Industry, Logistics and Retail.

Necessary approvals are required from the supervisory authority before access to both positions can take place.

*"The Board of Catella is very happy to appoint Mattias Brodin as acting CFO and in the same time be able to let Christoffer Abramson take over as CEO earlier than expected. Mattias has extensive financial expertise and a suitable background that match Catella's need for development. It is positive for Catella that Christoffer now fully can focus on the company's growth and organization as CEO"* says Jan Roxendal, Chairman of the Catella board.
