

Conversion of shares in Catella AB

According to Catella's articles of association a holder of a share of class A has the right to require that the share be converted into a class B share. Such conversion decreases the total number of votes in the company. After such a conversion has taken place, the company has an obligation under law to, in this way, publish information about the change.

During March 2023, 25,500 shares of class A have been converted into the same number of shares of class B. Thereafter, the total number of votes in Catella amount to 98,271,540.

The total number of registered shares in the company after the conversion amount to 88,348,572, of which 2,480,742 shares of class A and 85,867,830 shares of class B.
