3.2 The Shares/Units in the Funds are not available to or for the benefit of US Persons, as defined in the Prospectus. Therefore the Investor hereby represents that:

(a) (i) the Investor is not a US Person (as defined in the Prospectus) and is not acquiring Shares/Units on behalf of or for the benefit of a US Person or (ii) if the Investor is a US Person, then he/she is acquiring Shares/Units as a fiduciary or dealer for the benefit of its Investors who are neither US Persons nor estates or trusts and will not solicit such Investors to transact in Shares/Units when physically present in the US.

The Fund, the Management Company or EFA shall, in such circumstances, be considered as having made a valid payment, as if it had received proper instructions from the Investor.
- 5. Subscription details, confirmation, contract notes**
- 5.1 Upon receipt of a fully and correctly completed Fund Account Application Form, supported by all documents and information requested by EFA and of payment with good value as outlined in the offering documentation, if applicable, a contract note shall be dispatched to the Investor by EFA. If the Investor does not receive a contract note due to the deal not having been placed by EFA and EFA is not informed within seven (7) Business Days, then the deal will be placed on the date of re-notification.
- 5.2 In the event that there are any errors in any contract note or statement of account, unless the Investor notifies such error in writing to EFA within seven (7) Business Days of the dispatch of the contract note, or in the case of a statement of account within thirty (30) days of issue, the application or other transaction shall be deemed to be binding and the Investor shall be deemed to have waived any right to raise objections or pursue any remedies against EFA, the Fund and the Management Company.

- 6.4 The Investor represents that it will notify the Fund, the Management Company or EFA forthwith where any of the declarations contained in these Terms and Conditions are no longer accurate or complete in all respects.
- 7. Confidentiality and personal data**
- 7.1 Personal Data in connection with an investment in the Fund will be processed to the extent required to perform any agreement with the Investor and services related thereto and to perform legal obligations. In particular in the event of changes in the legal and regulatory framework of the financial sector, changes to practices in the financial markets or changes affecting the conditions on the financial markets, the Management Company or EFA reserves the right at any time to amend, delete and/or add new provisions to these Terms and Conditions, subject to the following provisions:
- a) Orders received by EFA before any amendment comes into force shall remain unaffected.
- b) The Investor shall be notified of amendments, deletions and/or additions to these Terms and Conditions which will become effective as from the date specified in the notification. Nor shall the Management Company or EFA be liable for errors in translation or interpretation of terms used on said documents. The Investor bears the risk of any loss, theft,

accident or destruction of documents, values or financial instruments, except if the Management Company or EFA has/have acted with gross negligence.

- 10.3 The Management Company or EFA shall not be held responsible for any loss or damage resulting from a legal enactment, the intervention of a public authority, an act of war, strike, lockout, boycott, blockade or any other similar circumstances. The reservation with respect to strikes, lockouts, boycotts and blockades shall apply even if the Management Company or EFA itself is a party to such measures of conflict.
- 10.4 The Management Company or EFA may not be held liable for a possible delay in the execution of instructions as a result of the Management Company or EFA's compliance with its legal obligations e.g. in relation to the assessment of the appropriateness of an investment service or product for the Investor.

13. MIFID Directives

- 13.1 According to the law within the European Union (EU) and the European Economic Area (EEA), all clients purchasing services related to financial instruments shall be placed into one of three categories. The purpose of this exercise is to enable the institution to afford its clients the appropriate level of investor protection required by law, as dictated by the situation and the particular needs of the clients. Private individuals and companies without extensive knowledge and experience are classified as "Non-Professional clients". A "Non-Professional" client will receive the highest level of protection, including provision of information regarding financial instruments and their risks, costs and other trading fees. Before providing a Non-Professional Client with services other than portfolio management and investment advice, the Institution will seek information in order to enable the client to assess the appropriateness of the service for the customer, having regard for both the client's knowledge and experience of the relevant products and the client's awareness of any risks associated with it. "Professional Clients" which are because of their experience and knowledge of operating in financial markets, are afforded less protection than Non-Professional Client. This experience and knowledge is defined by the Investor meeting at least two of the following conditions:

- frequently carries out transactions;

- has a large portfolio;
- has worked in the field of investment services.

- 13.2 "Eligible Counterparties" is a sub-category of Professional Clients, which is afforded the least protection - examples of Eligible Counterparties are banks, central banks, governmental authorities and supranational financial bodies.

14. Prevention of Money Laundering and Terrorist Financing

EFA is required to establish the identity of ALL investors and carry out verification of the identity of ALL investors and hold evidence of the identities of ALL investors, and where such investor is not the ultimate beneficial owner of the investment establish the identity of the ultimate beneficial owner.
